

# What can YOU do to Prevent Stormwater Pollution?

## Make a Rain Barrel for Your Home!

### What is a Rain Barrel?

A rain barrel is a rainwater collection system that stores rooftop runoff to be used later for activities such as lawn and garden watering, even car washing and window cleaning

**New Date!**

### ★ BUILD YOUR OWN!

Rain Barrel Workshop at the  
Elgin Town Hall  
October 8<sup>th</sup> 2016, 9am-12pm  
\$25 Registration Fee

Contact Kelli Garcia to register or  
for more information at  
803-798-1200  
[kelli.garcia@amecfw.com](mailto:kelli.garcia@amecfw.com)

**October 8<sup>th</sup> Workshop!**

### The Benefits:

- Reduces ponding and flooding in your yard
- FREE non-potable water!  
(i.e. for lawn & gardening, car washing, window cleaning)
- Reduces your tap water usage
- Protects our natural resources
- Reduces stormwater runoff
- Reduces harmful pollutants carried into local water bodies by runoff
