**PORTION OF SESSIONS ROAD IN ELGIN
TEMPORARILY CLOSED DUE TO WATER OVER BRIDGE**

Kershaw County, SC – The South Carolina Department of Transportation (SCDOT) has temporarily closed a portion of Sessions Road in Elgin due to water over a bridge. Until water is not flowing over the bridge and the bridge is inspected, Sessions Road will be temporarily closed between Chestnut Road and Veterans Road.

SCDOT expects to reopen the closed portion of the road later this week. A detour is in place to divert traffic.
